

Expecting? Have a new baby?

New parents who work in NJ may be eligible to receive 2/3 of their wages when taking time off work to bond with a new baby.

Apply for the
NJ Family Leave Insurance
program!

In order to qualify, a worker must meet minimum wage requirements – had at least 20 calendar weeks of employment in New Jersey and earned at least \$169 per week, or \$8,500 in the year before taking leave.*
